

1911 Wales Census on Ancestry

At last! Ancestry have indexed the Wales 1911 Census and no doubt the England one will follow soon:- <http://search.ancestry.co.uk/search/db.aspx?dbid=2353>

However, they still have some work to do on the indexing! Elizabeth Maria Powell White has been indexed as Elizabeth Marie Paolo Wlock: <http://t.co/ermEd63e>

Still, something is better than nothing!!
