

Judd, Guiles, Hawkey and Hewitson

Chris Hewitson has very kindly sent me his database of the Judd, Guiles, Hawkey and Hewitson families and this has now been added to The Williams Family Tree. The information has been uploaded to the website although it hasn't all been verified as yet – this may take a while!

The information about the Nottage and associated families, supplied by Glyn Scally, is still being worked on and most of the references have now been checked.

Thanks to everyone who has sent information, we are extremely grateful to you all. Please keep it coming.
