

Non-family members in the Census Returns

There are a number of individuals mentioned in the Census Returns that are not family members. They may be servants, boarders or possibly visitors.

At the time of writing there are over 600 of these individuals in my records so I thought it might be nice to make them searchable in case there is someone out there who might belong to them ☐

They can be accessed via the [Statistics](#) page or from the [Group](#) page (log in as guest) or by clicking this link: <http://w-f-t.co.uk/index.php?page=indilist2>.

Please let me know if you find it useful.
