

The Weeks Family Album

We are currently researching the Williams, Wicks/Weeks, Paramor and Cleveland families and have possession of the "Weeks Family Album" that was given to Sarah WEEKS (1834 Plumstead, Kent - 1910) by her uncle and aunt William (1804-1881) and Amelia (b 1820) Bumstead. The Bumsteads had no children of their own as far as we are aware and they adopted Sarah WEEKS who was the biological daughter of William WICKS/WEEKS (b 1802 Westham, Sussex) and Sarah WILLIAMS (b 1812 Charlton, Dover, Kent).

Sarah WEEKS had a sister Anne Elizabeth WEEKS(1853 Plumstead, Kent - 1894) who married Robert Walter PARAMOR (b 1853 Canterbury, Kent) in 1884.

The Weeks Family Album contains a number of photographs of the above family members that are, as usual, untitled and undated. If anyone can help in the research or identify any of the people in the photographs we would be extremely grateful.

Thanks for looking.
